

JUNIOR Delhi School®
Great Place To Grow

SESSION 2026-2027

CLASS – LOWER K.G

Glimpse for the Month Of
Superb September

Welcome Dear Parents!

We are delighted to continue our joyful learning journey with our **Blooming Buddies** in the month of **September**!

As our little learners grow more confident and independent in their daily school routine, we will continue to nurture their curiosity, communication skills, creativity, and positive classroom habits through engaging, play-based, and hands-on learning experiences.

This month's theme – **"Plants – Nature's Green Friends"** – will introduce children to the fascinating world of plants and their importance in our lives. Through stories, rhymes, sensory activities, art and craft, nature exploration, and simple planting experiences, children will discover the different parts of a plant, understand what plants need to grow, and learn how plants provide us with food, fresh air, and beauty. We will also encourage children to care for nature by developing simple habits like watering plants and keeping their surroundings clean.

Our aim is to cultivate a love for nature, strengthen observation and language skills, and inspire our Blooming Buddies to become caring, responsible, and environmentally conscious learners through joyful and meaningful experiences.

Assembly Time

- Morning Prayer
- School Song
- Dance
- Thought of the Day

Vocabulary Enrichment

Good Morning	Good Bye	Thank You	Nurture	Soil	root
Plant	Absorb	Nature	Flower	Blossom	Sapling

A Gentle Note to Parents

Your support is essential during the settling phase.

Kindly:

- ✓ Encourage your child to come happily to school
- ✓ Maintain a positive goodbye routine
- ✓ Check and sign the school diary daily
- ✓ Ensure punctuality
