

Here is the bee hive

Here is the bee hive (hold fist together)
But where are all the bees (hold up hands)
Hiding away where nobody sees
Here they came creeping out of the hive
1,2,3,4,5 (Hold up fingers one at a time)
Bzzzzzzzzzzzzzzzz (You can also use both hands and have 10 bees.)

Ant and the grasshopper

In the summer the ants were a-working
Bringing food to their hill every day
While the grasshopper sang in the sunshine
On his fiddle, his song he did play.
"Fi-de-di, de-dah-doo, dah-de da-do
Fi-de-do, de-da-dee, de-da-day
I will sing all the while 'neath the sunshine!
'Neath the moon, I will dance, I will play!"
In the autumn the ants were still working
But the grasshopper still did not care
The ants asked "Why don't you store food for winter?"
"When it's cold, you'll have no food to spare."
"Fi-de-di, de-dah-doo, dah-de da-do
Fi-de-do, de-da-dee, de-da-day
'Bove us all, there will always be sunshine
And there always will be time to play!"
Time went by, and along came the winter
And the wind gave a cold icy chill
Snow fell down, and there was no more sunshine

Cont.

So the grasshopper went up the hill.
"Fi-de-di, de-dah-doo, dah-de da-do
Fi-de-do, de-da-dee, de-da-day
I am cold, I am wet, I am hungry
And I'm sorry I played the days away."

In the valley he went to the anthill
He was cold, and embarrassed, and sad

But the ants told him that he was welcome

Then he thanked them and felt really glad!

"Fi-de-di, de-dah-doo, dah-de da-do

Fi-de-do, de-da-dee, de-da-day!"
And the grasshopper said in future seasons

Work comes first, then he'll have time to play!

The Ants Go Marching

The ants go marching one by one,
Hurrah, hurrah.

The ants go marching one by one,
Hurrah, hurrah.

The ants go marching one by one,
The little one stop to suck his thumb,
And they all go marching down
Into the ground to get out of the rain,

BOOM! BOOM! BOOM!

Two...tie his shoe...

Three...climb a tree...

Four...shut the door...

Five...take a dive...

Six...pick up sticks...

Seven...pray to heaven...

Eight...shut the gate...

Nine...check the time...

Ten...say "THE END"

Itsy bitsy spider

Itsy bitsy spider went up the water spout
Down came the rain

And washed the spider out
Out came the sun and dried up all the
rain

And the itsy bitsy spider went up the
spout again

Butterfly song

First comes a butterfly and lays an
egg,

Out comes a caterpillar with many
legs,

Oh see the caterpillar spin and spin,
A little chrysalis to sleep in.

Oh, Oh, Oh wait and see!

Oh, Oh, Oh wait and see!

Out of the chrysalis, oh my,
Out comes a beautiful butterfly.
