HOLIDAY'S HOMEWORK

CLASS PRE-NURSERY

Dear Students

Winter is here, bringing cosy mornings, warm blankets, and cheerful holidays! The **Winter Vacation** is a wonderful time to enjoy the season, celebrate festivals, and spend quality moments with your loved ones.

But remember, dear children, holidays are not only for fun and rest — they are also a great opportunity to learn new things in playful ways. This **Winter Holidays Homework** has been designed with the motto **"Fun and Learn."**

Engage in exciting activities that will help you explore, imagine, and create. Enjoy making winter crafts, reading storybooks, helping your parents, and learning small life lessons each day.

Let's make this vacation meaningful by keeping our minds active and our hearts warm with joy, kindness, and laughter. Come back refreshed, ready for new adventures in learning!

Stay warm, stay happy, and have a joyful winter break!

Dear Parent,

Winter vacation brings a change of season and a spirit of joy and togetherness. The holidays offer a wonderful opportunity for you to spend quality time with your child while enjoying the warmth and cosiness of the season.

You can use this time to encourage healthy winter habits such as keeping warm, eating nutritious foods like soups and seasonal fruits, and staying active through playful indoor activities. The holiday tasks are designed to keep children engaged in a fun and meaningful way, helping them learn through creativity and exploration.

While your child works on the assigned activities, guide and support him/her with love and patience. Encourage your little one to take responsibility, build confidence, and develop good habits.

We hope you enjoy this special time together, filled with laughter, learning, and precious family moments.
Wish you a warm, safe, and delightful winter vacation with your child!
